Presenter – Chelsea Bodamer, Outreach & Youth Coordinator, Partnership for the National Trails System				outh Coordinator. Partnership for the National	Trails System	

PNTS Forum

The Partnership for the National Trails System has recently developed a new online forum. Before its official release to the public, Chelsea would like to present the new interface, and open the discussion up for feedback and advice from the NTS GIS community.

4. Future Meeting Dates & Topics

- a. Aug 15, 2017 TBD
- b. Sept 19, 2017 TBD
- c. Oct 17, 2017 TBD

We always welcome suggestions for additional topics for discussion or presentations. Please contact Ryan Cooper and/or Peter Bonsall with your suggestions!

NTS GIS Network Mission:

We established the NTS GIS Network as a way to connect the diverse array of National Trails System staff and partners who use GIS systems and products in their work. One of our goals is to facilitate the sharing of information and tools that help us do our jobs more efficiently and innovatively. Because the national trails system is managed as a collaboration of agencies and partner organizations, the NTS GIS Network is open to anyone.
